Transportation:

Springfield/Branson Airport (SGF) is the best airport to use if you plan to fly (1 hour/50 miles away).

SGF is currently served by American, Allegheny, Delta, and United Airlines

NOTE: Branson Airport (BKG) is a small private air port serviced by one regional carrier.

Grand Plaza **does not** provide shuttle service to either airport.

If you plan to rent a vehicle, Kansas City International (KCI) or St. Lewis Lambert International Airport (STL) may be an option for you. Both are approximately 3 ½ hours or 250 miles away.
